

DERBY MOOR
SPENCER ACADEMY

16-19 Tuition Funding Statement

**Context:**

It has been announced by the Government that the 16-19 tuition fund has been extended for the 2021-22 academic year. It is to support small group tuition for 16-19 pupils in English, maths and other academic and vocational courses where learning has been disrupted. All supported pupils must be on a 16-19 study programme and have had their learning disrupted since the coronavirus outbreak.

Our provision:

Our small group tuition will specifically target students with lower prior attainment in maths and English. Furthermore, in line with the condition of funding we will also offer small group tuition to students who are from an economically disadvantaged background and those students who have special educational needs and disabilities (SEND).

Please note that this tuition will be an extra tutorial session, on top of the normal timetabled lessons that each student is already receiving.

Tuition sessions will be organised as follows (subject to numbers of students / staff available):

- 1 -2 hourly blocks outside of 'normal' school hours
- They will be delivered by qualified Derby Moor School teaching staff, support staff or an accredited third- party provider.
- The maximum number of students in each tuition group will be between 5 -7
- The tuition sessions will be scheduled in advance to ensure attendance and engagement from our student community
- The tuition sessions may also be used to support student progress in other vocational subjects, and to develop general academic skills which may have been adversely affected by the pandemic.

Measuring impact:

The impact of these sessions will be monitored based on student performance and progress in their courses and their preparation for and confidence in applying to future destinations, including higher education, employment and apprenticeships.
